Little known outside of Greece, Tsipouro is a clear ancient spirit believed to date back to the 14th century.

Traditionally shared and served with Mezze, Tsipouro is more than a drink, it's an art form that has historically brought people together. Our Tsipouro and Ouzo service includes a carafe of your chosen spirit, accompanied by glasses and a carafe of water and ice. We recommend that you start by pouring the tsipouro into your glass (go ahead and try it neat, you may prefer it that way!). Then, if you want, add water, then ice. Go slow with this step-- slowly chilling these spirits preserves their distinctive aromas and flavors.

Currently in a true renaissance of quality wine production, Greek winemakers now produce many of the world's most mesmerizing wines. With the combination of modern techniques rooted in ancient tradition, unique terroir, and fascinating indigenous grapes, our wine list celebrates the producers on the forefront of this exploration.

Keep an eye out for wines marked with the ⚡ symbol - these are our sommelier's selections for the quintessential Greek dining experience. The tasting notes with these selections have two components. The first sentence describes the aromas and flavors, while the second sentence gives you an idea about the texture or mouthfeel of the wine

We recognize that many guests may not be familiar with these wines - please direct any questions to our sommeliers who will be happy to assist in picking out the perfect bottle for you.

As they say in Greece, “ya mas!”.

SPARKLING WINE

Sparkling wine is simply a joy and a blessing. For us, a bottle of bubbles is a worthy celebration for each day no matter the occasion. Our Greek selections use techniques from many regions around the world at a world-class level. And while our selection of Greek sparklers is extremely exciting, there's also nothing quite like a good bottle of traditional Champagne.

There are few wines as idiosyncratic as the wines of Santorini. It's most famous grape, Assyrtiko, boasts a natural flavor profile very few others possess: bold citrus, a rich salinity, and delicate white flower. The volcanic soils of the island bring a mineral quality to these wines that is singular in essence and astounding in nature. Sleek, bright, mouth-coating and, above all, delicious, there is a wine for every taste from this small but mighty island.

SKOURAS REDS

The name “George Skouras” is synonymous with “Greek wine.” A Burgundian-educated winemaker, he took the wine world by storm in 1986 with his flagship label: “Megas Oenos,” a blend of the native Agiorgitiko with Cabernet Sauvignon aged in new French oak barrels. His wines evoke grace, beauty, and brilliance-luscious, sensual reds, packed with fruit, finesse, power, and depth. With vision rivaled by few winemakers around the world, Skouras is a true pioneer in viticulture and deserves recognition for his championing of native Greek varieties.
