Little known outside of Greece, Tsipouro is a clear ancient spirit believed to date back to the 14th century.

Traditionally shared and served with *Mezze*, Tsipouro is more than a drink, it's an art form that has historically brought people together. Our Tsipouro and Ouzo service includes a carafe of your chosen spirit, accompanied by glasses and a carafe of water and ice. We recommend that you start by pouring the tsipouro into your glass (go ahead and try it neat, you may prefer it that way!). Then, if you want, add water, then ice. Go slow with this step-- chilling these spirits in this order preserves their distinctive aromas and flavors.

BOTTLES OF WINE

Welcome to the Andros Taverna wine list! Our selection highlights the best Grecian viticulture has to offer. These wines are convivial in nature, delicious to drink, and endlessly thrilling.

Currently in a true renaissance of quality wine production, Greek winemakers now produce many of the world's most mesmerizing wines. With the combination of modern techniques rooted in ancient tradition, unique terroir, and fascinating indigenous grapes, our wine list celebrates the producers on the forefront of this exploration.

Keep an eye out for wines marked with the  symbol - these are our sommelier's selections for the quintessential Greek dining experience. The tasting notes with these selections have two components. The first sentence describes the aromas and flavors, while the second sentence gives you an idea about the texture or mouthfeel of the wine.

We recognize that many guests may not be familiar with these wines - please direct any questions to our team of sommeliers who will be happy to assist in picking out the perfect bottle for you.

As they say in Greece, “ya mas!”.
